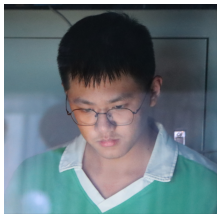
South China Normal University, School of Computer Science



Education 教育背景

South China Normal University (SCNU), Guangzhou, China *2023 –Present*

Bachelor of Science in Computer Science, GPA: 3.50 / TOP 28%

Relevant Coursework 相关课程

SCNU: 计算机科学与技术专业相关必修及选修课程

CS61A: Structure and Interpretation of Computer Programs, **CS61B**: Data Structures and Algorithms, **MIT 18.06**: Linear Algebra, **Brown CSCI0300**: Fundamentals of Computer System, **UCB CS170**: Efficient Algorithms and Intractable Problems, **CMU 15-445**: Intro to Database System, **NJU OS**: Operating System Design and Implementation, **UCB CS188**: Introduction to Artificial Intelligence

---

Projects 项目经历

Personal Portfolio Website *2025*

- Built a responsive personal website using HTML/CSS and deployed it via GitHub Pages.
- Supports bilingual content and downloadable CV.

Awards 获奖经历

- **SCNU Scholarship** 华南师范大学本科生奖学金

- 2023-2024 学年，三等奖学金

Skills 技能

Programming Languages: Python, C/C++, Rust, LaTeX

Frameworks: PyTorch, TensorFlow, Flask, OpenCV, NumPy, Pandas

Databases: MS SQLServer

Tools & Technologies: Git, Docker, Linux(ArchLinux & Ubuntu), Markdown

Interests: Artificial Intelligence, Machine Learning, Deep Learning, Natural Language Processing, LLMs

Languages: Chinese (Native), English (Fluent, CET4: 544)
